Dedication

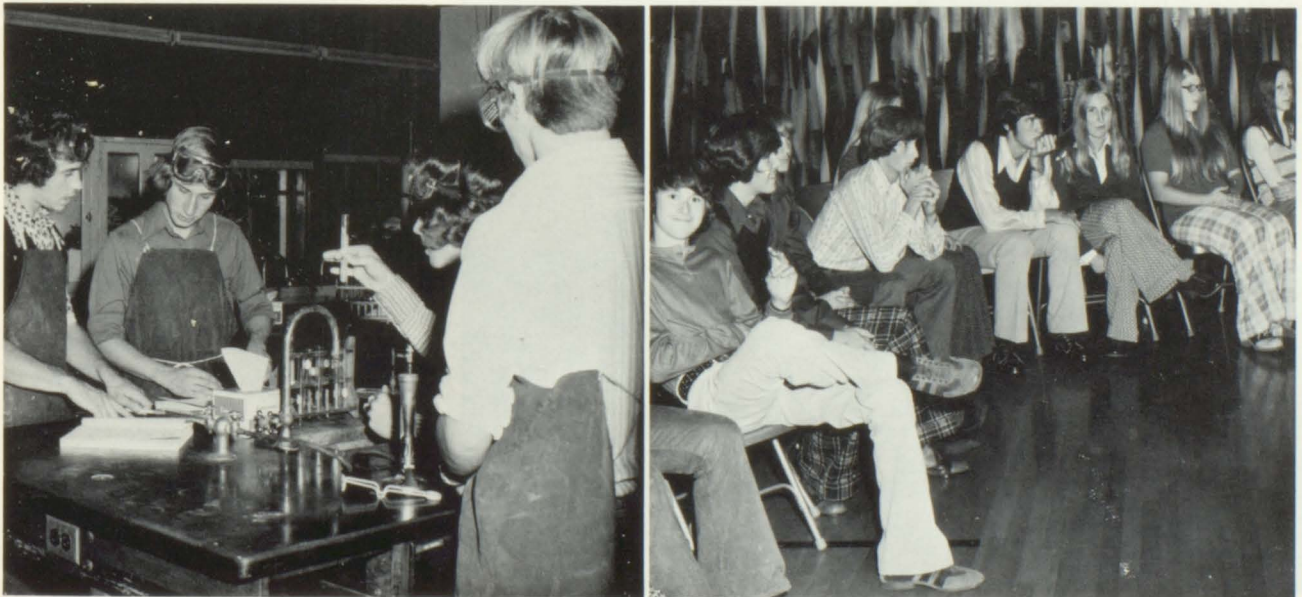

We, the Class of 1974, would like to dedicate this 60th edition of our annual to Mr. Wayne Scarlett, for taking such a personal interest in us. His wit, sarcasm, and intelligence have made his classes enjoyable as well as educational. He has helped us in many ways; as a teacher, sponsor, and most of all, a friend.

Thank you, Mr. Scarlett, for being the "COOL DUDE" that you are!!

TO THE CLASS OF 1974:

As each class graduates, they are faced with many problems, however, with Inflation, The Energy Crisis, Watergate etc., I'm sure you have inherited more than your share. I hope in some way we have given you the ability to cope with these problems and the insight for possible solutions.

I congratulate you on your graduation and hope you will call on us if we can help you in the future.

History

In the fall of 1970, our class of eighty-one freshmen entered the hallowed halls of M.F.H.S. for the first time. We were no longer the mighty eighth graders, but were now the lowly freshmen, ready to start out on that great road that would change us into adults. The class officers we chose were pres., Kevin Kapper; vice-pres., Kirk Myers; sec., Connie Hardy; treasurer, Craig Hill. Our sponsors were Mr. Schuller and Mr. Haines. Homecoming week was great fun for us all. Our float won fourth place with the theme "Strike up a Victory." Our homecoming candidates were Kevin Kapper and Connie Hardy. During the year we lost Steve Alexander, Doug Chandler, Kathy Dooley, Jim Fredricks, Matt Jennings, Mary Mallory, Jody Owens, and Carol Rutherford.

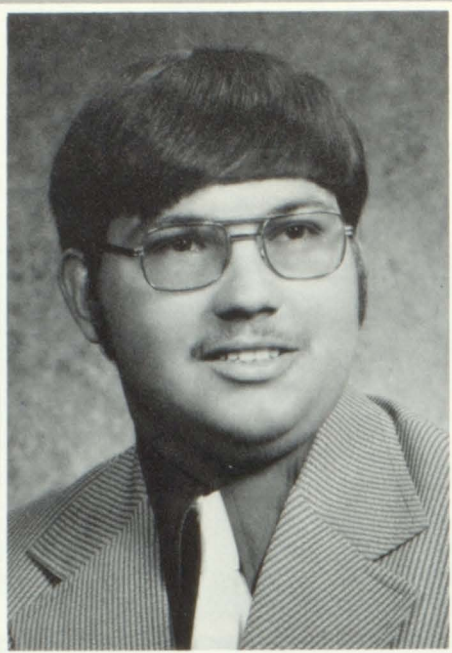

Our Sophomore year we lost four students: Jo ann Glacken, Gina Janetzky, Carl Logue, and Tim Williams. However, we gained six students: Greg and Lori Cowgill, Carol Faith, Steve Harper, Lori Hazlett, and Randy Nunn. The officers we chose this year were Kevin Kapper as president, Kirk Myers as vice-president, Connie Hardy as secretary and Barb Pense as treasurer. Our sponsors were Mr. Scarlett, Mr. Haines, Mrs. Richardson and Mrs. Paine. Our sophomore float, which had the theme "Comets Can't Wipe Out a Trojan Victory," didn't place. Our homecoming candidates were Kevin Kapper and Connie Hardy.

Our junior year brought the Prom and our magazine sales. It also brought us eight new students: Rhonda Chaney, Dirk Cordtz, Debbie Cox, Kathy Dooley, Steve Frontz, Linda Mounts, Don Phillips, and Cindi Scott. Our junior year also saw us say good-bye to eleven of our classmates. They were Mark Bulla, Roscoe Campbell, Dirk Cordtz, Connie Hardy, Ina Kenyon, Candy Lee, Randy Nunn, Linda Mounts, Don Phillips, Janet Schull, and Charlie Sullivan. Our class officers were Ron Schroll, pres.; Ina Kenyon, vice-pres.; Jill Malone, secretary; and Lynn Oliver, treasurer. Our junior float won first place with the theme "Skunk 'em." We chose Kirk Myers and Vicky Short to represent us in the homecoming court.

In the fall of 1973 we entered the dear old halls of M.F.H.S. for the last time. During this year we lost Greg Cowgill, Dave Fulk, Mary Price, and Charlie Sides. However, we gained three new seniors: Jesse Van Volkenburg, Silvia Guilherme, and Dora Ortiz. As our officers we chose Mike Younker as president, Ron Schroll as vice-president, Barb Pense as secretary, and Kirk Myers as treasurer. The senior float placed third with the theme "Execute a Victory." Ron Schroll and Lynn Oliver were nominated as our candidate for homecoming and were chosen as the King and Queen.

We have had some happy and some sad moments together in the past four years. As we leave this school and all of our friends, we take many great memories with us. So, good-bye old friends, and don't forget . . .

The 1973-74 Trojan Band enjoyed a very busy year beginning with the fall parades in Decatur and Bloomington. Under the leadership of Rick Stoutenborough, the band perfected the fine art of the Wrap-Turn to the delight of the audience at the corners. This was the first year for the new football field, so the band developed four precision drill half-time shows.

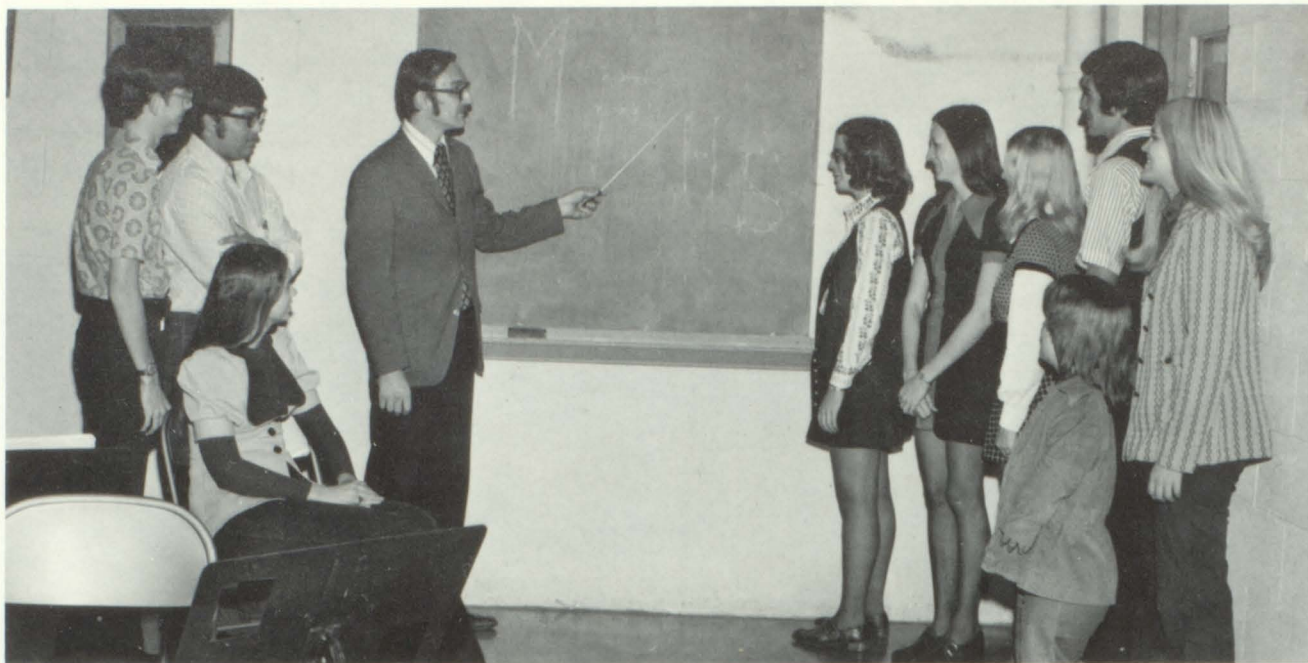

High School Band

During the winter season, in addition to playing at all the home basketball games, the band performed at the winter concert and at the county band festival where everyone met Mr. Chris Izzo from WIU. No one will soon forget the experience with the Italian Czar at the 1974 County Band Festival.

During the spring months the final touches were applied to polish several numbers for the band, solos, and ensembles for the state competition. The year was brought to a climax at the spring concert in May.

This season, our football teams compiled a record of 9-8-3 as compared to 1-16 last year, 2-14 in 1971, 1-13-1 in 1970. Although the varsity suffered a losing season, we expect this to be the last losing season for a long, long time. We also expect that our combined won and loss records (varsity, J.V., and freshman) will be winning records for years to come. I said last year upon taking the position here that we would be winning within three years. We are winning now, and expect to continue winning, and I definitely see a championship in the not too distant future.

Homecoming 1973

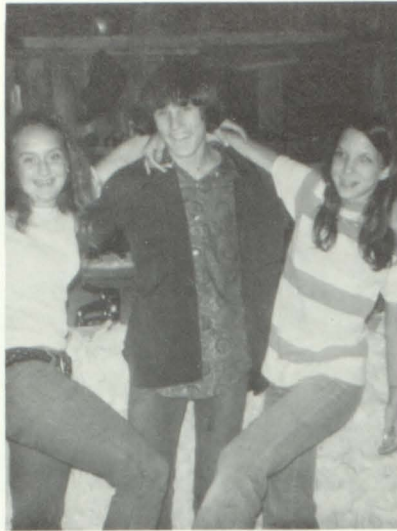

Homecoming week began Monday, September 17, with all the students participating in building the floats. Thursday was Blue & Gold Day. At 1:00, Friday, students were dismissed for the pep rally and Homecoming Parade. Our school spirit was highlighted with skits performed by the Senior Class and the Varsity cheerleaders. The Homecoming Parade began at 2:00 with the band leading.

The Homecoming game began with the dedication of our new football field in honor of Walter D. Boyd. We were defeated by the Macon Ironmen by the score of 24-0.

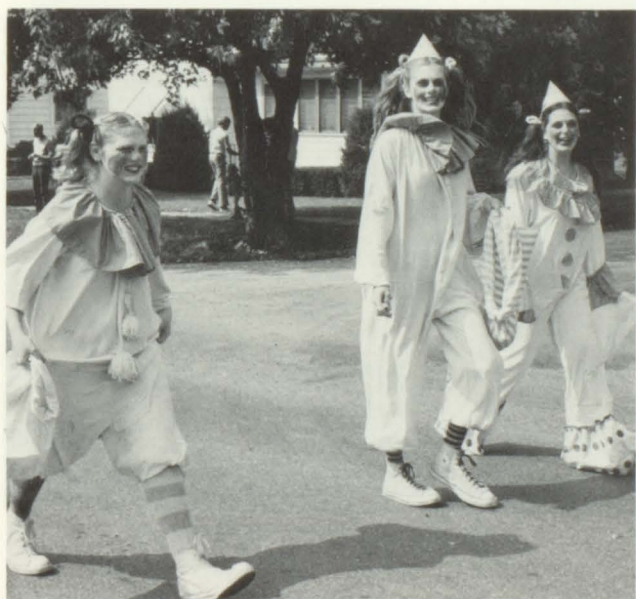

The dance, "A TIME FOR US" was held Saturday night from 7:30 to 11:30. The Coronation began at 9:00 with the crowning of Queen Lynn Oliver and King Ron Schroll. Roxy Gray and Company provided the entertainment for the night with most of the students dancing. Refreshments were served and everyone left never forgetting the 1973 Homecoming.

"During his long tenure at Maroa, Walt Boyd instilled many fine qualities in his players and students: He taught them the meaning of respect - not only for their opponent but also self-respect. He taught them to win without bragging and to lose without alibing. He taught them the meaning of dedication, whether it was on the football field or in the classroom. He gave 100% effort and expected 100% in return. He had a keen sense of fairness that was recognized and respected by all of his students.

During his 22 years at Maroa, Walt influenced the lives of hundreds of young people and they were the better for it. We are all grateful that he decided to spend these years in our community. Before his death Walt was told that, when completed, this field would be called "WALTER BOYD FIELD. He was pleased then, and we're sure he would be very pleased now.
